Masters in Trial™ A Trial Demonstration from Opening Statement through Jury Deliberations

WHEN Friday, February 4, 2022, 8:00 am – 4:45 pm

WHERE UofSC School of Law, Karen J. Williams Courtroom, 1525 Senate Street, Columbia, SC 29208

Scope and Purpose

The American Board of Trial Advocates, an organization with more than 7,500 of the best trial lawyers in America, is dedicated to the preservation of the right to trial by jury guaranteed by the 7th Amendment.

Educating lawyers in the art of trial advocacy is a primary goal of the Foundation of the American Board of Trial Advocates. **The Masters in Trial™** shows how some of the most successful trial lawyers in the country conduct a trial – without war stories. All of the trial team counsel are ABOTA members and are well-known and highly respected in their fields.

Case

The fact pattern is based on a medical malpractice case. The Plaintiff, Charles Davis, age 48, alleges that Baytown Memorial Hospital (“BMH”) in Baytown, South Carolina was negligent and deviated from the standard of care in the treatment rendered to him during a cardiac episode (heart attack) that occurred on June 16, 2017.

Whether you are a novice or seasoned trial lawyer, plaintiff or defense counsel, this program will assist you in your next trial. This seminar is designed to teach by example. The skills you see demonstrated are applicable to virtually every other civil case.

This is one seminar trial lawyers will be talking about. You don't want to miss it. Come see how the Masters do it.

CLE Credit

The program has been approved for 6.66 MCLE credit hours by the Supreme Court of South Carolina Commission on CLE and Specialization.
